

## **\$25,000 Level: JA Finance Park Storefront**

---

### **Benefits include:**

- Storefront signage prominently displayed for approximately 10,000 students, teachers, corporate and community leaders each year of sponsorship.
- Sponsors have the opportunity to fully brand the exterior and interior of the storefront including (if desired) repainting to brand-appropriate colors, installing company furniture or flat-screens. For example, Bank of America built a small replica of a local branch and Delta Air Lines built a mini-Sky Lounge.  
*Sponsors will be responsible for the financial cost involved in the outfitting the storefront. JASoCal can recommend a local builder and architect, if necessary. JASoCal will exercise final approval over design changes to the physical structure of the center.*
- The opportunity to distribute informational materials within the storefront to approximately 7,000 middle and high school students.
- Company logo displayed on iPads throughout the simulation.
- Sponsor can customize software content on iPads during Research and Shopping phases of Simulation, including 10-12 careers that exist within the sponsoring organization's business.
- Use of JA Finance Park facility, free of charge, twice a year for private meetings, events, and various trainings in order to showcase organization's corporate philanthropy or provide an offsite working space for corporate meetings.
- Formal ribbon cutting ceremony and festivities to unveil the newly branded storefront. JASoCal will work with sponsor's media department to promote the event.
- As a sponsor of a JA Finance Park storefront , you will be in the company of some of JASoCal's most prominent supporters, and some of Los Angeles' most successful brands, including: Toyota, Delta Air Lines, Bank of America, SoCal Gas, Union Bank, U.S. Bank, NBC Universal and Capital One .
